

Coach Behavior Agreement:

1. All coaches, parents, players and anyone at our parks are to conduct themselves in a manner that is respectful, considerate, and supportive to our program and its participants.
2. If an umpire's call needs to be discussed, that must occur by the head coach. Assistant coaches coming onto the field to argue a call with an official will be ejected from the game.
3. Any coach who is ejected must depart the field immediately and is also suspended for the next game (the coach cannot be at the park for the next game).
4. Head coaches are responsible to control parent behavior. Any parent who is ejected is to be suspended for the current game and the next 2 games (the parent cannot be at the park). When a parent is ejected, the head coach is also ejected for that game.
5. If an ejection occurs after the game, if a coach, they will serve a two-game suspension (they cannot be at the park). If a parent, they will serve a three-game suspension (they cannot be at the park).
6. Any ejected person must leave the park after an ejection within 5 minutes. Failure to do so will result in a 1-year suspension from the date of the incident. Being ejected in a game and returning to the park during the game or after the game while the team is present will result in a 1-year suspension from the date of the incident.
7. If a parent comes onto the field to argue a call or play or to make any type of comment about officiating, they will be banned from our program for one year from the date of the incident.
8. There is no appeals process for an ejection. An ejection is final.
9. Any person involved in fighting will be immediately removed from the park and will be banned from the league and facilities for 3 years from the date of the incident. This removes the players from participating during this period.
10. Use of profanity or any offensive language not suitable for children will result in immediate ejection and removal from the park. Determination, if not suitable, will be at the official's discretion.
11. Any coach, player, or parent who receives a second ejection in one single season will be banned for one calendar year from the date of the incident.
12. Any team who receives two ejections during a single season will face a 1-game suspension. That single game will end in a forfeit for that team. Any team who receives 3 ejections during a single season will be suspended for the remainder of the season, including tournament play if the third ejection occurs during the same, current season.
