

New to Club / New to Coaching Call Notes – Zoom Call held on 02/19

1. We reviewed several items on our website to include:

- Where the [Rules of Play](#) are
- Park location overviews for [Crockett](#) and [Civitan](#) and discussed items at each park
- Weather [Policy](#) (FYI If you don't hear from us, we are on schedule)
- Field Status (lower middle of website home page)
- Baseball [tips](#)
- Softball [tips](#)

2. We did not discuss the Lost & Found approach at Civitan Park and Crockett Park, but [here](#) is the link.

3. We reviewed Team Central going through the Team Directory on the website where coaches can find their online team calendar.

4. We noted we would be setting up Zoom calls by division, primarily to review rules.

5. Lights at Crockett, Woodland and Granny White are controlled by the city of Brentwood. Our club schedules that usage in advance. We do contact them after hours if a team is scheduled and there are no lights. We don't contact them after hours to add usage.

6. Lights at Civitan are controlled by our club. Hayden primarily manages the schedule for that.

7. Our system is set up to send a reminder notice 48 hours prior to the event (practice or game). Anyone not receiving this needs to look at their spam folder.

8. We reviewed what our uniform shirts would look like this season.

9. All teams will have 12 scheduled league games, starting 03/20.

10. The 7YO to 12YO teams will have an end of season tournament in early May.

11. We will have a Picture Day during the season which is our only fundraiser of the season. We receive a portion of the proceeds, which mirrors how other leagues typically do that

event.

11. We discussed Game Changer. We will have a separate email out for uploading your roster from our website to Game Changer.
